## 2008 Schulz “Samuel’s Cuvee”

SAMUEL’S CUVÉE is a blend of Syrah, Zinfandel and Cabernet Sauvignon all coming from the Napa Valley. This cuvee provides the smooth rich texture of Syrah with the fruit forward flavors of Zinfandel and the structure of Cabernet.

### 92 Points & Editors’ Choice

A beautiful wine that tastes much richer than you usually get for this price. Shows gorgeously ripe blackberry, cherry, currant, mocha, licorice, bacon and sandalwood flavors, wrapped into refined tannins and finishing long and spicy. A blend of Syrah, Zinfandel and Cabernet Sauvignon.
