

2012 Dragone Vineyard Albariño

Situated at 2100 feet elevation, the Dragone Vineyard is located in the Sierra Nevada Foothills high above the town of Murphy's, California. This beautiful site is ideal for growing Spanish style varietals with moderately warm days and cool nights.

Tasting Notes: Fermented and aged in 100% stainless steel, our Albariño is made in a classic style showing aromas of fresh spring flowers, lemon grass and citrus. Packed with flavors of honeydew melon, white peach, grapefruit and a hint of white pepper. This wine has a nice lean body and finishes dry.

Verital: Albariño
