

2013 Roussanne, Clondaire Vineyard

The Clondaire Vineyard is located in the Sierra Nevada Foothills close to the town of Murphy's, California. This beautiful site is ideal for growing Rhone varietals with moderately warm days and cool nights.

Tasting Notes: Our Roussanne exhibits beautiful aromatics of chamomile, wild flowers, wet rocks, straw and honey on the nose. The wine is medium bodied on the palate, with flavors of pineapple and honey. Fermented and aged entirely in stainless steel, this wine is fresh and vibrant with just enough acidity/structure providing a lengthy dry finish of citrus and mineral. It is ready to drink now but will age nicely over the next few years.
